FYSA. FFRRO contributed ORR content from the January 2021 Administration change briefing paper and September 2021 Regan briefing talking points as the basis of the attached briefing paper for Janet's upcoming meeting with TDEC. Carol Monell (R4 SEMD DD and recent acting DRA) will participate in person. The new RA will join via phone.

I understand the AO does not believe TDEC will spend much time discussing ORR or press any issues, so the ORR paper is primarily for Janet's background knowledge.
