Storm, Linda shared a folder with you

Hi there Annie, here is my old and original file on the US-95 Thorn Creek to Moscow project (titled I-95 Palouse). It's the same project. If it would be helfpul to put this on sharepoint I can do that. Also sending you an email with John Olson comments on the wetlands/404 issues and subsequent email exchanges. Charissa may have more in terms of her review/comments with Elaine somers later in time. L
