Subject: FW: Meeting to reorganize Ringwood CAG

Hi John,

I can't believe I did the same thing as Judie…I didn't include you on my email about May 18th. I'm hoping this will help move the reorg of the CAG forward. I hope you can make it and I'll give you a call later if that's ok. I actually had a dream about not cc'ing you last night…I really need to get a life!

Thanks

Pat

Subject: Meeting to reorganize Ringwood CAG

Good Morning,

In our ongoing effort to reorganize the CAG, we have set up a meeting for Thursday, May 18th at the Church of the Good Shepherd at 7pm. Connie, thanks for your help!

This meeting will only be to work out moving forward, we don't expect to report out on any other issues at this time. If the CAG decides to call a future meeting, that is certainly their option and EPA will do its best to be available to answer any questions.

I'm hoping that everyone on this email will be able to attend. EPA can assist in some of the reorg, but there are many unanswered questions to take into consideration, such as

1. Do you want to solicit other members?

2. Should the Borough relinquish their seat on the CAG and become a liaison?

3. Do you need to refresh/redo the existing policies and procedures for CAG members?

4. How often should meetings be held?

5. Do you need a facilitator – neutral or someone on the CAG?

6. Do you want to continue to work with the TASC program?

…and other questions that will arise.

If you can't attend, we can set up a call-in number. I know everyone is busy, but we really need to get together so we can move forward. As the date gets closer, I will send out a more detailed agenda of the issues we need to address.

Thanks to all of you for your persistence and dedication to make this a viable group once again. Joe and I look forward to working with all of you!

Pat
