Hi all –

Are you available for a community meeting on February 24 at 7pm? I'm assuming the meeting will run for ~2 hours.

The community prefers an evening time. So, if not 7pm, does 6pm or 8pm work? Please let me know.

Thanks,
Donette

Hi Eddie,

Happy New Year!

Yes, let's plan for a meeting at the end of February because I'm doing site work in Puerto Rico at the end of this month until February 18.
Would February 24 work?

Talk soon,
Donette

Good afternoon Donette,

The Brooklyn Community Board #13's Environmental Committee is having an update meeting to discuss the Superfund for the Coney Island Creek. The findings for the report was supposed to be finished by September of 2021. We would like to know the Superfund status from EPA on the Coney Island Creek. We are also inviting a representative from Congressman Jeffries. We would like to meet in November at your earlier convenience.

Thank you.
