Mr. Ballotti,
Attached is the digital version of a Preliminary Assessment petition (PA) for the severe PFAS contamination crisis in Peshtigo, WI related to the Tyco/Johnson Controls AFFF fire testing facility. Please accept and process this petition on behalf of myself and Jeff Lamont, two impacted residents and property owners.
We can be reached for follow up at your discretion:

Ex. 6 Personal Privacy (PP)

I have mailed a hard copy of this PA to your attention as well and look forward to your acknowledgment of receipt.
With thanks and optimistic anticipation,
Cindy Boyle and Jeff Lamont
