Dear Ms. Boyle and Mr. Lamont:

Attached please find a copy of the Preliminary Assessment report for the JCI/Tyco Marinette PFAS Plume conducted in response to your petition dated 3/18/2022. This copy does not include the associated references.

You will receive a separate email from me with a link allowing you to download the report and a zipped file including the report and references. Please let me know if you encounter any problems.

Dear Ms. Boyle and Mr. Lamont:

Thank you for your Preliminary Assessment (PA) Petition dated March 18, 2022. Attached please find, the PA report cover letter with EPA's response. A separate email will follow with a copy of the Preliminary Assessment report. Since the report and references are rather large, we will also share a link where you can download the report and all associated references. Finally, a hard copy of the report will be delivered to you by USPS.

Please feel free to contact me if you have any questions about this email and the Preliminary Assessment Report.

Subject: EPA Preliminary Assessment Petition for Peshtigo, WI (PFAS)

Mr. Ballotti,
Attached is the digital version of a Preliminary Assessment petition (PA) for the severe PFAS contamination crisis in Peshtigo, WI related to the Tyco/Johnson Controls AFFF fire testing facility. Please accept and process this petition on behalf of myself and Jeff Lamont, two impacted residents and property owners.
We can be reached for follow up at your discretion:

Ex. 6 Personal Privacy (PP)

I have mailed a hard copy of this PA to your attention as well and look forward to your acknowledgment of receipt.
With thanks and optimistic anticipation,
Cindy Boyle and Jeff Lamont
