Hi all,

Thanks so much for meeting this afternoon. I will send an invite for the 7th at 2pm and here are the highlights of what we discussed today:

- Ginger plans to completed her review of the documents and to provide track changes versions by 12/24; she will email this group if any questions arise during her review
- ICF/Michelle can arrange for access to PDFs needed for review of documents
- We'll meet on Thursday, January 7th to discuss comments; Ginger may provide informal, bulleted comments in advance of this meeting

Thank you!
Michelle
