Subject: Request for meeting on TDUs

Barnes,

The ETC requests a meeting with you and your staff to discuss your review of thermal desorption units (TDUs) that process hazardous wastes, the Region V analysis of TDUs operated by Tradebe, and your responses to the questions raised in the ETC letter of July 29, 2016 (copy attached). Please let me know if a meeting in early September can be arranged.

Feel free to call me if you would like to discuss. Thanks very much for your attention to this important concern.
