Dear Sir,

It was a pleasure speaking with you regarding our formaldehyde cancer mode-of-action analysis poster last week during SOT in Phoenix, Arizona. Attached please find a .pdf copy of our poster, as per your request. I hope that you enjoyed this year's conference at least as much as I did, and that your travel was calm and uneventful.

Thank you for your interest in our work, and in the IRIS Division of NCEA, U.S. EPA.
Sincerely,
Jason Fritz
