MEDIA

KTVU (Alyana Gonzalez) [Received 2/16] – OPEN – Reporter is hoping to do an on-camera interview about lead hazards in residential paint, dust and soil. She specifically wants to know if EPA is doing anything with the City of Oakland. Working with program to see what projects/studies we could talk about. DDL: 2/17, trying to push back to 2/21. LND, ENF, SFUND. Soledad Calvino.

CalMatters (Elizabeth Aguilera) [Received 2/15] – CLOSED 2/16 – Reporter is working on a story that involves the CA Dept. of Toxic Substances Control. She is looking for guidance on a formula that the state uses for prioritizing a cleanup that has apparently been provided/recommended by the US EPA. Sent guidance. SFUND. Soledad Calvino.

AP (Scott Smith) [Received 2/16] – CLOSED 2/16 – Reporter is looking for report/publication where USEPA attributes that 1,200 people in the San Joaquin Valley die prematurely each year from air pollution. Working with program to see if such report and figure come from EPA. Sent information and reports from CARB. AIR. Soledad Calvino.

Honolulu Star Advertiser (Sophie Cocke) [Received 2/16/17]—CLOSED—Reporter called to confirm that there is still a regulatory hold on new regulations, which would include any new EPA rules on chlorphyros. Let her know that is correct, and still the same as what she was told last week when she initially called on this is subject. Land Division, Dean Higuchi

CONGRESSIONAL & INTERGOVERNMENTAL

Status of Senate Vote on EPA Administrator Nominee Scott Pruitt's Nomination: Today, the Senate voted 54-46 for cloture to limit debate on Scott Pruitt's nomination, teeing up a final confirmation vote expected around 1:00 p.m. on February 17th.

Rep. Salud Carbajal (D-CA-24): Brent Maier received an inquiry from the Congressman's District Representative Greg Haas asking if we could provide him with an update on the Arroyo Grande Oil Field/Price Canyon. Brent checked in with Water Division's Mike Montgomery and David Albright and was told by Mike that we do not have any update to share with him at this time, however, we should be able to provide Greg with an update within the next couple of weeks. Brent followed up with Greg to let him know that he will follow up with Greg when we do have an update to share.

EPA HQ to Meet with Silicon Valley Clean Water Authority: HQ Office of Water staff was joined by OIR and Region IX's Brent Maier (by telephone) in a meeting with Water Authority representatives Matt Anderson, CFO, and Daniel Child,

General Manager, to discuss a water infrastructure and implementation project. The Water Authority believes that this project may be eligible to apply for WIFIA funding.

Congressional Outreach on Bonita Peak Mining District Update: Brent Maier has shared an EPA Region 8 Bonita Peak Mining District February 2017 update with Congressional staff whose States/Districts include portions of the Navajo Nation in Arizona, New Mexico, Colorado, and Utah as well as Navajo officials.

Upcoming Congressional and Intergovernmental Meetings/Hearings:

Tuesday, February 21, 2017 – EPA HQ Conference Call with City of San Diego: The City of San Diego's interest in the possibility of taking an integrated planning approach to its stormwater and wastewater programs. They appreciate the opportunity for dialogue and guidance and look forward to discussing this priority with EPA's Integrated Planning headquarters and Region 9 managers/staff. Office of Wastewater Management also included in invite. Expected San Diego/Regional Participants: City of San Diego - Kris McFadden, Director, Transportation and Storm Water; Drew Kleis, Deputy Director, Transportation and Storm Water; Clem Brown, Program Manager, Transportation and Storm Water; Chris Minton, Consultant, Larry Walker and Associates; Paz Gomez, Deputy Chief Operating Officer, Infrastructure and Public Works; and Alejandra Gavaldon – Director of Federal Government Affairs & Water Policy (Office of the Mayor). Other expected participants include: RWQCB (Regional Water Quality Control Board) David Gibson, Executive Director

Wednesday, February 22, 2017 - EPA Meeting with San Francisco Mayor and Supervisor to Discuss Hunters Point Naval Shipyard: Mayor Edwin Lee and Supervisor Malia Cohen invited EPA to a meeting February 22, 2017, regarding the Navy contractor Tetra Tech falsification of radiological test results. In addition, to EPA, they invited the Navy, California and San Francisco environmental agencies, San Francisco Office of Community Investment and Infrastructure, and Five Points (developer). Laura Duchnak, Director of the national Navy Base Realignment and Closure (BRAC) Program Management Office, will share the Navy's progress by its 3rd party independent contractor to develop a workplan to scan and collect samples at potentially affected portions of the Shipyard in the next 10-16 months. She will also report back from February 8, 2017, community workshop on this topic attended by over 200 participants. The agenda includes the following: 1) progress made on the clean-up, 2) status of the final determination around necessary sampling, 3) community engagement and outreach, and 4) impacts of this additional sampling to the final timeline for transfer. This is the third of four monthly leadership meetings currently scheduled. (Lily Lee 7-4187, Jackie Lane 2-3236)

Friday - Monday, February, 24 – 27, 2017 - National Governors' Association Annual Winter Meeting: The National Governors' Association will host its annual winter meeting February 24-27 in Washington, DC. NGA is Chaired by Governors Terry McAuliffe (VA) and Vice-Chair Brian Sandoval (NV). One plenary session will focus on "Promoting State Solutions in Species Preservation, Conservation Management and Energy Expansion," but speakers have not yet been announced. At this time, NGA has not reached out to EPA for participation. A request by the Western Governors' Association (WGA) for a breakfast meeting with EPA and other Cabinet-level officials is pending with EPA's leadership. OCIR Contact: Becky Cook-Shyovitz

Saturday – Wednesday, February 25 – March 1, 2017 - National Association of Counties Meeting in Washington, DC: The National Association of Counties will host its 2017 Legislative Conference at the Marriott Wardman Park Hotel in Washington, DC, from February 25 – March 1, 2017. Several hundred elected and appointed county officials from across the U.S. take advantage of this opportunity each year to discuss both ongoing and emerging issues across the policy spectrum that affect the nation's 3,000-plus county governments. Transportation, public safety, education, agriculture, employment, public housing, health care, information technology/cybersecurity, economic development, energy and environmental/natural resource policy issues are addressed by NACo's full complement of committees which – at this conference -- amend existing policy platforms and resolutions and develop "interim" ones that will be ratified at the national meeting in July in Columbus, Ohio. In addition, myriad symposia co-sponsored by NACo's private sector partners queue up "best practice" discussions that inform participants' perspectives across all issue areas. NACo's Energy, Environment and Land Use Steering Committee will meet on Saturday, February 25, to discuss a new resolution seeking legislation to codify EPA's 2012 Integrated Municipal Storm Water and Wastewater Planning Approach framework, under which sewer districts can seek more efficient and affordable solutions to CWA compliance and which creates demonstration projects under which communities will be allowed more flexibility and comply with the Act's

regulatory requirements.Invitations for EPA officials to speak during the conference are pending. OCIR Contact: Andrew Hanson

Sunday, February 26, 2017 - Western Governors' Association Breakfast Meeting: EPA HQ will host the Western Governors' Association for a breakfast meeting on Sunday, February 26th. At this time, EPA participants, as well as Cabinet members and governors attending, have not been confirmed. OCIR Contact: Becky Cook-Shyovitz

Tuesday, February 28, 2017 - Meeting with Folsom and San Juan Water District (California): On Tuesday, February 28th , EPA HQ will meet with Folsom and San Juan Water District officials to discuss local water infrastructure needs. Priority concerns include issues related to direct diversions from Folsom Lake, including operations at Folsom Reservoir. The officials will also provide updates on the Folsom Dam Water Control Manual. Marcus Yasutake, Director of Environmental and Water Resources, City of Folsom, and Keith Durkin, Interim General Manager, San Juan Water District will participate. They will join OIR, the Office of Groundwater & Drinking Water, WIFIA, and Region IX staff for the meeting. The Office of Wastewater Management may also participate. OCIR Contact: M. Arnita Hannon Christmon

Tuesday, February 28, 2017 - Meeting with Modesto Irrigation District (Modesto, CA): On Tuesday, February 28th, EPA HQ will meet with Nick Blom, MID Board of Directors, Ronda Lucas, General Counsel, and Gary Soiseth, Regulatory Administrator. The Modesto Irrigation District (MID) officials will provide an overview of what they believe will be severe economic impacts from the California State Water Resources Board's (SWRCB) recent proposal to reallocate large amounts of water to fishery purposes at the expense of existing agricultural and urban uses. The officials want to discuss with EPA the role of Federal laws and Agencies in the development and implementation of the pending SWRCB plan. Office of Water and Region IX staff (by telephone), will join OIR for the meeting. The Modesto Irrigation District is a vertically integrated public utility located in California's Central Valley. The District provides irrigation water to approximately 3,100 agricultural customers, irrigating nearly 60,000 acres; and electricity to more than 117,000 customers in a service area of 650 square miles.MID also treats and wholesales up to 40 million gallons of drinking water per day to the City of Modesto. OCIR Contact: M. Arnita Hannon Christmon

Wednesday, March 1, 2017 - EPA to Meet with North Bay Water Reuse Authority - On Wednesday, March 1st, EPA HQ will meet with leadership of the North Bay Water Reuse Authority to receive an update on Phase 1 and 2 of the Authority's Water Reuse program, and North Bay's proposal to integrate a WaterSMART Drought Contingency Plan and a WaterSMART Basin Study as a model for the development of the tools necessary for the best, most informed decisions on critical water supply issues. The officials are also interested in discussing FY 2017 and '18 funding priorities for water reuse and the North Bay Program, specifically as they relate to the Bureau of Reclamation (BuRec), among other related matters involving EPA and BuRec ongoing discussions. The North Bay officials will be in Washington for meetings with key Agencies. The following representatives will be meeting with EPA: David Rabbit, District Supervisor, Sonoma County; Chair, Board of Directors, North Bay Water Reuse Authority; and Director, Sonoma County Water Agency; Brad Sherwood, Principal Program Specialist; Community & Government Affairs, Sonoma County Water Agency; and, Ginger Bryant, Program Development Consultant, North Bay Water Reuse Authority.
