Highlights of Past Week

EPA Meeting with San Francisco Mayor and Supervisor to Discuss Hunters Point Naval Shipyard: Mayor Edwin Lee and Supervisor Malia Cohen invited EPA to a meeting on Thursday, November 3 regarding the Navy contractor Tetra Tech falsification of radiological test results. The agenda is to 1) receive clarity from the EPA and the Navy regarding how the new allegations will be addressed, and 2) to get briefed on the revised scope, timeline, and budget for addressing the allegations. They invited the EPA, Navy, California Department of Toxic Substances Control, San Francisco Office of Community Investment and Infrastructure, and San Francisco Department of Public Health. Laura Duchnak, Director of the national Navy Base Realignment and Closure Program Management Office, will share the Navy's plan to hire a third party independent contractor to develop a workplan to scan and collect samples at potentially affected portions of the Shipyard in the next 10-16 months.
