The goal of this meeting is to reach closure on the appended interim draft from Jason Fritz (thank you!!). Please send any written comments to Jason cc: me at your earliest convenience or by COB Tuesday 11/19/2013.

Please note that the genetox summary should be a considered a placeholder as the genetox subgroup's effort on formaldehyde is still ongoing, and detailed review comments on that portion are not needed at this time. Hope this helps.

Thanks, everyone!
Kate
