Yes, thanks Stacey. This is one of the well-connected groups in the region. I want us to develop a good response like we did for Rev. Manning's group.

Dr. Nance,
You forwarded this letter to me in early April. The Divisions are working on a response. The letter also requests a conversation with you regarding the EtO issue.

Are you wanting me to reach out to the group to set up a virtual call (after we send a meeting invite) after we get a response drafted?

Stacey
