R8 MT Superstars,

Doug Benevento and Betsy Smidinger will be in Montana this week. In fact, Betsy is in the office today. Doug, however, will not be in the office. Attached is our Trip Plan for work in Missoula, Helena (off-site CD negotiations), Butte and Anaconda. I apologize for not letting you all know earlier they would be in our great state – still learning so I definitely will remember to inform everyone on future visits.

Best regards,

I was told Doug plans to be in Montana this Wednesday through Friday (3/20-3/22) and that he has meetings in Helena and Butte. I am not sure if he plans to come to the office, but I wanted you to be aware.
