Phil,

Thank you for quickly confirming the July 23rd date. Let's plan on that date for our meeting. Emilio is out today, but he will send along the meeting invitation next week.

We look forward to our upcoming discussions. Have a safe and Happy Fourth of July.

-Robyn

Hi Phil,

Thank you for the update on your availability for the City/EPA meeting.

We'd like to plan to meet via Microsoft Teams during one of the following times:

- Monday July 20, 2020 from 1:30 to 3:30 pm, or
- Thursday July 23, 2020 from 1:30 to 3:30 pm.

Please let us know which time is preferable for the City.

I will send the Microsoft Team's phone number in the meeting invitation.

We are still working on the response to the City's letter and will send it to you next week.

Hope you have a good holiday weekend.

Thanks,

Emilio Llamozas

I did find out that our City Engineer, Ryan Leland, will be out of the office the week of the 13th but we could schedule without him or schedule the week of July 20th – July 24th also.

Emilio, I will be in the office the week of the July 13th and I'm sure we'll be able to schedule a time that works for the City of Helena folks. I will be out of the office July 6-10th. If possible, Tuesday-Friday would be best and give me a little time to review your documents before our discussion.

Thanks.

Phil and Mark,

Hope you had a good week. I just wanted to send you a quick update on where we are with reviewing the City of Helena's response to the EPA's Letter of Violation.

We have reviewed the City's response and are preparing a document with comments and questions for the City.

We anticipate sending our comments to the City the week of June 29 and would like to have a phone call meeting the week of July 13, depending on your availability.

Does that schedule work for you?

Please let me know if you have any questions.

Thanks,

Hi Mark,

Thanks for your email. I had a good conversation with Phil last week. He sent me Helena's response to the LOV. We have been reviewing the response and will get back to you soon. Phil and I discuss having a meeting in the coming weeks to discuss next steps. I am planning to send a meeting invite early next week so we can meet the week of June 29 or July 6.

Thanks,

Hi Mark,

Hope you are doing well and staying safe in these COVID-19 times. I just wanted to follow up with you on the Letter of Violation and Opportunity to Confer that was sent to you on May 15, 2020 concerning the Helena Pretreatment Program.

I was wondering if you had any questions on the letter?

The EPA requested a response within 30 days of receipt of the letter. According to the email records, the letter was received on May 15, 2020 (see email below); therefore, the response to the letter would be due on Monday June 15, 2020.

Please let me know if you have any questions.

Thanks,
