QUARTERLY QI NOTIFICATION DRILL REQUIREMENTS

In accordance with **OPA 90 - 33 CFR 155.1060 and CALIFORNIA CODE OF REGULATIONS, TITLE 14**, a Qualified Individual communication exercise must be conducted *quarterly when operating in USA waters (EEZ),* or upon entry into USA waters, **not to exceed four (4) times per year**.

These exercises may be conducted by **telephone**, or **email (using ECM's Form 08)**. At least once a year this exercise is to be conducted by telephone, as this is the only accepted method of contacting the QI to report an actual incident.

⚠	Note: **Upon completion of the notification either by email or telephone you should record the time and date in your official log. ECM will automatically email a confirmation of receipt of an electronic QI notification exercise within 24-hours of our receipt of same. If you make a QI Notification by telephone, there is no need to follow-up via email. If you make a notification by email, there is no need to follow-up via phone.**
