STARTED	06:35	-	-
FINISHED	08:25	-	-

You are kindly requested to witness the opening and closing meter reading and barge soundings before commencing and after completion of bunkering operations. These readings will be used as final means of measurement and will be the official basis in determining the quantity delivered to vessel owners and/or operators and/or charterers of the vessel to be jointly and severally liable for the payment of alland any bunkers supplied hereunder and until the amount due under the invoice for them has been paid in full the property of such bunkers remain with the suppliers. All disputes that might arisefrom this bunkering operation will be settled by the capeverdian courts. The sample is valid for (15) fifteen days only.

B. DECLARATION: THE FUEL OIL COMPLIES WITH REGULATIONS 14 AND 18 OF ANNEX VI OF MARPOL 73/78.
