Subject: RE: Confirmed 3/9 at 3pm: BGA meeting request on vehicle standards

Hi Emily – Just wanted to reconfirm our meeting for Friday with Bill Wehrum, and thanks for the logistical info below. It will be myself, my colleague Mia Veltri, also from BGA, and Roy Houseman of the Steelworkers.

Look forward to our conversation on Friday.

Thank you. Best,

Zoe Lipman

Hi Zoe,
You are confirmed for a 45 minute meeting on Friday, March 9 at 3:00pm with Bill Wehrum.
Directions and procedures to 1200 Pennsylvania Avenue NW:

Metro: If you come by Metro get off at the Federal Triangle metro stop. Exit the metro station and go up two sets of escalators to the surface level and turn right. You will see a short staircase and wheelchair ramp leading to a set of glass doors with the EPA logo - that is the William Jefferson Clinton Federal Building, North Entrance.

Taxi: Direct the taxi to drop you off on 12th Street NW, between Constitution and Pennsylvania Avenues, at the elevator for the Federal Triangle metro stop - this is almost exactly half way between the two avenues on 12th Street NW. Facing the building with the EPA logo and American flags, walk toward the building and take the glass door on your right hand side with the escalators going down to the metro on your left – that is the North Lobby of the William Jefferson Clinton building.

Security Procedures: A government issued photo id is required to enter the building and it is suggested you arrive 15 minutes early in order to be cleared and arrive at the meeting room on time. Upon entering the lobby, the meeting attendees will be asked to pass through security and provide a photo ID for entrance. Let the guards know that you were instructed to call 202-564-7404 for a security escort.

Please feel free to contact me should you need any additional information.

Emily

Hi Emily,

Thanks for the quick response! Yes, March 9 at 3pm does work for us, and we look forward to the discussion with Bill Wehrum.

Attendees will include myself and Roy Houseman, Legislative Representative, United Steelworkers. We may potentially be joined by a couple additional staff, but I will make sure to confirm with you in advance.

Please feel free to contact me if you need any additional info from us, or to pass along any logistical details.

Best,

Hi Zoe,

Bill Wehrum has asked that I setup a 45 minute meeting with the BlueGreen Alliance and we could fit it in on Friday, March 9 at 3:00pm.

Please advise if this could work on your end.

Emily

Subject: BGA meeting request on vehicle standards

Hello Emily – I'm reaching out to see if it might be possible to schedule a meeting between the BlueGreen Alliance (BGA) and Mr. Wehrum sometime in the next few weeks to discuss vehicle standards and their implications for American manufacturing.

As the agencies review the nation's car and light truck fuel economy and greenhouse gas standards, we see a critical opportunity for the Administration to bolster – or potentially undermine - a critical driver of domestic manufacturing growth.

We would be joined by a representative of the United Steelworkers, and potentially by others with interests in the automotive supply chain.

The BlueGreen Alliance is a partnership of the nation's largest labor unions and environmental organizations, focused on securing and building good American jobs at the same time as we address America's energy and environmental challenges.

BGA is also a leader in carrying out detailed research on the vehicle standards' local level impact on manufacturing and jobs in the automotive sector. We've worked with manufacturers and labor, and with bipartisan groups such as the House Manufacturing Caucus, to explore how the standards impact innovation, competitiveness and job growth. We would be very interested in briefing Mr. Wehrum on the findings of our most recent reports, and discussing the direction of the standards in the context of the Administrations' broader energy and economic objectives.

I am happy to answer any questions, and please let me know if there is a date that might work on your end. We look forward to discussing this critical topic further with the agency.

Sincerely

Zoe Lipman
