never offered bottled H_2O, to consumers when E. coli violation occurred

→ Flint's corrective action plan due 3/1/15

bromoform → rashes

→ high lead results!

University of Michigan Flint tests → lead & titan

PN → check in w/ doctor → if not to use → why should he need to pay for H_2O?

Jen/ Flint is broke → Governor appointed emergency mgr to get them out of debt → switchover to Flint River → MDEQ didn't want that!

Woodson will call me back next week
