Michael Szerlog 11:01 AM:

Tony, quick question. Is High Tide Line still on for extended ET?

Barber, Anthony 11:03 AM:

Yes. Tuesday 10:45-11:15

Barber, Anthony 11:03 AM:

Good to go?

Michael Szerlog 11:04 AM:

Definitely. We heard rumor that we were taken off the agenda.

Barber, Anthony 11:05 AM:

Not as far as I know. I'm supposed to talk with Michelle P today or tomorrow to finalize everything and there is one topic that might be squeezed in, but I don't believe that will knock High Tide off.

Michael Szerlog 11:05 AM:

OK. Will calm staff down so they can continue to work on being prepared. :) Good day.

Barber, Anthony 11:06 AM:

:)
