Michael, can you take a quick look at this brief that we will use with Michelle and Dan tomorrow? Two issues for you are NW48 and HTL. Items in italics are for Michelle and Dan and will be deleted before sending this to the other TRAR Principals (USACE, NOAA, NRCS) before next weeks meeting.

I have added you and David to the pre brief scheduled for tomorrow afternoon. I can hold these two issues for later in the briefing if you will be late.

Thanks,

peter
