Subject: Mid Coast Agricultural Water Quality Rules
MC Plan Summary -KF.doc
mid_coast_rules_2002.pdf

Hello,

At the June 20th LSAC meeting I misspoke. There is a rule related to sediment and farm roads in the Mid Coast Agricultural Water Quality Rules. Attached is a summary of the Mid Coast Agricultural Water Quality Plan and the Mid Coast Agricultural Water Quality Rules (rule 5(b) relates to sediment and agricultural roads). Feel free to forward this to the other TWG and LSAC members if I do not have them on this e-mail.

Also, feel free to give me a call if you have any questions.
