*__Draft-Deliberative__* Attorney-Client Privilege*

I left yesterday's Region 10 call with the action item of editing the Pend Oreille messaging one-pager.

I have made the following changes in the attached, clean version:
--fixed outline numbering format
--referred to "upstream of Idaho border"
--Included next steps and their sequence at the bottom of the page

Let me know if you see any showstoppers. I will send these final edits to Region 10 noon on Tuesday, Nov. 12, unless I hear otherwise from you.

Best,
Sarah
