In response to Zokan's request, I pieced together the attached rough briefing summary for the EJ folks that will visit with the Kalispels (see email). Please review. Thanks

The Kalispel Tribe will be meeting with Matt Tejada and Lisa Garcia from the EJ Office in HQ. One of the things they want to discuss is the Temperature TMDL. Do you have a good summary/briefing info to share with them. Please send it to me so I can get it to Peter Murchie and Running Grass. I need to get this to them by next week.

Thanks
