Subject: Anaconda-Columbia Falls/Request for Back-up Cost Documentation

Mr. Cohen:
EPA has pulled the back-up cost documentation which your client, Atlantic Richfield Company, requested in connection with EPA's June 9, 2015 general notice letter and demand for payment of response costs in connection with the Anaconda Co Columbia Falls Reduction Plant Superfund Site in Flathead County, Montana. Attached please find a proposed confidentiality agreement which covers EPA contractor proprietary information. Please sign and return the agreement at your earliest opportunity. EPA will send you the cost documentation once we have received the executed agreement.
Thank you.
Mark
