Non-responsive - Topics unrelated to Bristol Bay / Pebble Mine It also sounds like there is a meeting to discuss this issue with EPA and Murkowski staff based on the email below. Perhaps OCIR is coordinating?

While no due date was provided, they will likely want this early Monday. I believe that we have fact sheets on Non-Responsive and Bristol Bay that can be tweaked Ex. 5 - Deliberative Process Ex. 5 - Deliberative Process Non-responsive - Topics unrelated to Bristol Bay / Pebble Mine though I don't know if we updated it for this hearing.

Polling for Sen Murkowski -- – please provide a quick set of background information bullets and talking point – thank you!

Bristol Bay-- As part of EPAs May 11th settlement agreement—we have 60 days to withdraw the 2014 determination which is in the middle of the commercial fishing day season. The Senator wants to have as much involvement with the Tribes as possible – and will ask the administrator to have a 60-90 day comment period to give enough time for the tribal commercial fishermen to provide comment.
