RE: Freedom of Information Act Request EPA-HQ-2013-006386

Dear Sielas Dixon:

This is in response to your Freedom of Information Act (FOIA) request, identified above, dated May 13, 2013, which was assigned to the Agency's Office of Research and Development (ORD), National Risk Management Research Laboratory. You are seeking a complete copy of "Environmental Life Cycle Assessment of Gasoline Alternatives: MTBE and Ethanol Additives", presented at the AIChE meeting in San Francisco, CA on November 17, 2003.

Enclosed is a copy of the record responsive to your request, along with an Index of Releasable Records, describing the document.

This completes ORD's response to your request. The processing cost was below our chargeable cost threshold, so there is no charge to you for the work done on your request.

If you have any questions concerning this response, please contact Ms. Suzanne Jackson, ORD/NRMRL, (513) 569-7310.

Sincerely,

Cynthia Sonich-Mullin
Director
