Hi Dan,

I'm sorry to do this to you, but we just found out that April 5th 11:30 will not work for us

because of an all-hands meeting for all divisions (we just got notice today). Let's try this again with alternate proposed times:

Monday 4/4, 1-2pm

Tuesday 4/5, 3-4 pm

Wedn 4/6, 1-2 pm, also

If none of these times work, we will have to schedule something during the lunch hr on one of the days (although EPA staff don't really like that). You are busy next week. I am on vacation for 2.5 weeks starting on 4/8. So we have to schedule this the week of 4/4.

Thanks,

Hi Dan,

I hope you are well. I was wondering if you had some time next week for a call about glyphosate. We are seeking some historical information on the inert ingredients used in certain glyphosate products that belong to Monsanto. Here are some proposed times for a call:

Tues 3-4 pm (March 29th)

Wedn 3-4 pm (March 30th)

Thurs 1-2 pm (March 31st)

Let us know.

Thanks,
