Hi Vince,
Don't know if you this may make you homesick for Lyon, but here is the latest from Le Monde and BBC: http://www.bbc.co.uk/programmes/b06nrzqm starting from around 7 min.
Hope you are well,
Kate

Subject: UNDER EMBARGO - Glyphosate: EFSA updates toxicological profile

Dear Colleagues,

Today 12 November at 12:00 CET, EFSA will publish a Conclusion on the Peer review on glyphosate and a complementary technical document.
It will be accompanied by a News Story and a non technical summary.

The documents are under embargo until 12:00 CET when they will be published on our website.
For any further information on the Conclusion, please contact Jose Tarazona (Jose.Tarazona@efsa.europa.eu<mailto:Jose.Tarazona@efsa.europa.eu>).
For any further information on the News Story, please contact Simon Terry (simon.terry@efsa.europa.eu<mailto:simon.terry@efsa.europa.eu>).

Best regards,
Djien

The documents are scheduled for publication on 12 November 2015 at 12:00 CET. They are shared under embargo in advance for your information and not for wider distribution. The documents are shared on a confidential basis in advance of final publication and are therefore not intended to be shared beyond recipients identified in the distribution list above until the final documents are actually published. There is always a possibility that there will be additional changes before the final version is published and that the actual date and/or time of publication, indicated by the embargo, may change. Please note that only the final, published version remains the reference document. The EFSA website should be checked for confirmation of final content and publication. Only documents which are published on EFSA's website can be cited/used.
