My apologies - I've just noticed that the PDF I was sent appears to lack the second page of the letter. I will send on a complete scan tomorrow.

Subject: Statoil - Eisenbarth Well Pad

Ilana,

I've attached the general notice letter that was mailed to your client today with a copy to you.

Please confirm that we are meeting tomorrow at 10am central/11am eastern to discuss the work to be performed section of the proposed AOC with JJ and let me know if you will have anyone else on the call with you. I am also prepared to discuss some of your other questions and comments after we've gone over the work to be performed section.

Regards,

Sheila McAnaney
