Good afternoon.

We have some changes happening at FERC, and I wanted to make sure you are aware of them. Kevin Bowman (kevin.bowman@ferc.gov or 202-502-6287) will be managing FERC's environmental review process for the Rover Pipeline Project (FERC Docket No. CP15-93-000), Panhandle Backhaul Project (FERC Docket No. CP15-94-000), and Trunkline Backhaul Project (FERC Docket No. CP15-96-000). Please contact Kevin with any questions you may have about the projects and any future correspondence. Thank you.
