Dear Stakeholders,

Thank you for your message and for your interest in the work of the Los Angeles Regional Water Quality Control Board.
I am currently out of the office on personal leave and am not checking email. I have designated Renee Purdy to act on my behalf as Executive Officer. Although I hope that my leave will be as short as possible, I do not currently have a set date of return, and therefore ask that you please direct any messages to Renee at this time. Renee may be contacted at Renee.Purdy@waterboards.ca.gov or (213) 576-6609.
I have full confidence in our excellent management team and staff to see that the Board's important work goes forward in my absence.

Sincerely, Deb
