Tribal and International Affairs
Activity, Accomplishments and Issues, 13 – 17 March 2017

Anthony Greenwater—Director, 312 353 8640

Lac du Flambeau will visit EPA R5 on 24 March 2017. Primary agenda items: 1) progress reports on mutually-agreed action items from LCD/TIAO visit to LCD on 23 Feb 2017, including selection of additional monitoring well locations; and 2) crafting a joint response to recent WDNR letter that urged speedier action at Haskell Lake, following a staff level consultation praised by the Tribal attorney.
