Ms. Hanson,

In your Open Records Request submitted on May 28, 2015, you requested the site files for the sites listed in the attached table. This message is to inform you that the site files are ready to be copied and sent to you. If you would like me to contact a local copying service to do this, please let me know. The copiers would bill you directly for this service. Additionally, for one of the sites, Tower Standard Service, the files are electronic. I can burn those files to a disc and mail the disc to you directly. Please let me know to what address you would like the files sent. If you have any questions, feel free to contact me. You can reach me through email or at the phone number listed below.

Sincerely,

We are committed to service excellence.
