Richard,

I'd happy to talk with you about the review process. Would Thursday at 3:30 Central, 1:30 Seattle time work for you?

Dear Eric

The Tribe was not surprised to receive Ms. Guerriero's recent email regarding issuance of the proposed letter. This is a significant policy matter for EPA, so EPA Region 5's decision to elevate it to the Office of General Counsel, is not viewed negatively. In fact, we consider this as a further step toward strengthening the Tribal/EPA government-to-government relationship.

Toward that end, I would appreciate the opportunity to discuss the OGC review process with you. Please let me know whether you have any time tomorrow or Thursday to set up a short call.

Thanks

Richard

Hi Larry,

Thank you for your letter. We will follow up with a written reply regarding the list of joint tasks and commitments as requested.

At our meeting, I promised to let you know in advance if there would be any delay in EPA issuing a letter to WDNR within two weeks of our July 22nd meeting (August 5th). As I thought might happen, we have been asked to share the draft letter with EPA's Office of General Counsel. This will result in a short delay.

I will keep you informed as to the length of delay as I find out more information.

Sincerely,

Margaret
