LDF Summary of July 22 Consultation Meeting letter.pdf

Judy,

Please see the attached letter that Lac du Flambeau sent to us regarding sites that were previously closed under that state's process but that the tribe wants to look into to see if they have achieved tribal cleanups standards. See Issue 3. Lac du Flambeau Pilot LUST Program.

If possible it would be great to talk to you and others at OUST about what we could offer for such a pilot program.
