Subject: Wisconsin Rule Package 4 (WT-11-12) Question

Dear Ms. Minks,

I am Mark Compton, a staff member in EPA Region 5's NPDES branch. Currently, we are reviewing rule packages 3 and 4 that passed the Wisconsin Natural Resources Board last year.

I am inquiring whether you have any guide to what sections of Wisconsin's rules where modified to address particular Wisconsin Legal Authority Review issues, especially for Rule Package 4. For example, the Board Order for rule package 3 has a clear table connecting modified sections of Wisconsin's code to specific issues addressed.

I realized that sometime has passed and that it could be difficult to locate specific documentation. However, if you are able to find any information that would be helpful, it would be most appreciated.

Thank you,

Mark
