Hi Ed –

I talked to Margi and she was not aware of the basis for or the conversation you described between Ronnie and Kelly. She confirmed that my understanding was correct, but agrees that the additional language you mentioned is a good idea either way.

Thanks,
Tammy

Hi Tammy,

Thanks again for providing Aileen's cell number. I just spoke with her, and she gave permission to share the draft AOC with you. I'm attaching the latest draft for your review as requested. I'm also copying ITC counsel so they know what's been shared.

Paragraphs 19 and 22 include references to TCEQ review. Paragraph 19 includes the Wastewater Management and Disposal Plan language while Paragraph 22 includes TCEQ's post removal site control oversight once EPA presumably transfers response lead to TCEQ upon completion of the emergency response.

I'm also including a copy of the latest draft Statement of Work that includes the Wastewater Management and Disposal Plan language. This language will be included in both the AOC and the SOW, which is to be incorporated by reference into the AOC.

Thanks,

Edwin Quinones

Hi Ed –

I spoke with Stephanie and Margi and left you a voicemail with some questions and requesting a copy of the order to review. We're not sure of your timing on this and want to make sure we have some review time, so I look forward to hearing from you soon; my cell phone number is below.

Thanks,
Tammy
