Okay. I think I know what is going on. We are going to have a combined meeting with NPDES to discuss the bill legislation.

We can cancel our 404 meeting.

Subject: 404 telephone conference meeting

Kim came by and said that Peter may be caught up with another meeting scheduled at the same time as the 404 meeting on Friday to talk about senate bill legislation I believe associated with Section 402. Kim and Amy wanted to know if you had anything pressing for our 404 meeting nd if so, we should reschedule the 404 meeting. If not, we will talk at next month's meeting. The Aquila public hearing is not till the 23rd so there is nothing to talk about there. Please let me know. Thanks Melanie.
