Ruth, do you have a copy of IDEM's response letter to Environmental Technology Council , dated December 1, 2006, for the additional five questions raised by ETC (on October 23, 2006) for the thermal desorption unit?

Hi Jae,

Attached is a letter sent back in 2006. I believe it may be related to your issue, and it was sent to the Environmental Technology Council. Also attached is an older letter sent to PCI (now known as Tradebe) regarding a thermal desorbtion unit.

I'll let you know if I find anything else.

Ruth
