Hi Megan,
Write-ups for ALLIED LANDFILL (Michigan) and FOX RIVER (Wisconsin) are attached. I don't think any other sites in RRS#3 currently rise to the level of being on the radar screen of the state agency heads. If you can think of something I've forgotten, please let me know.
Thanks,
-Becky

Chiefs,

The Regional Administrator is meeting with heads of the state agencies next week (ECOS) and has requested information about the hottest state-wide sites or sites that have the attention of senior state agency staff for all states in the region.

Please send your items to me by deadline: NOON, Wednesday, 3/26/14.

If you have any questions, please let me know.

Thanks for your help.
Megan
