I've attached an initial/draft press release. This draft probably has more detail than necessary but I wanted to have all of the information there in case you deem it relevant. Obviously, we can discuss this more/edit depending on how our call tomorrow goes.

Thank you.

That sounds fine. Can you get me a draft press release for Nelson by tomorrow? Can we call Jason together to better understand his concerns?

Subject: work week

Hi Andrea

I previously requested annual leave for Tuesday and Thursday this week due to the kids spring break and Reid's surgery recovery. I've been able to secure zoo camp for the kids and childcare on Thursday so I am wondering if you would be okay with me teleworking 4/5 hours on Tuesday and Thursday while I have care covered. Due to my limited/part time

availability and my need to be at the house for Reid, I don't think coming into the office is a good idea but I would love to make some progress on the Eagle Mine site referral, etc. this week.

Let me know what you think. Either way, I will definitely telework on my regularly scheduled day(s) Wednesday and Friday to ensure I meet the required hours for the pay period.

Thanks in advance.
