Good Morning Paul and Michael -

The City finally sent out the media release regarding the Allied Superfund Site. It was delay from yesterday due to some unrelated concerns that prevented the City Manager's Office from getting it out. I attend the Kalamazoo River Cleanup Coalition board meeting last night. We had a good discussion with lots of questions/concerns being raised. There's a lot to discuss after we all return from our various travels over the holidays.

Please let me know if you have any questions or concerns.

Happy Holidays!

Bruce
