Subject: Agenda and Background Memo for Monday, August 18, 2014 Meeting

To All -

Thank you all for agreeing to meet this coming Monday, August 18 at 10:00AM in St. Joseph, Michigan. It is anticipated that the meeting may last several hours; consequently, we will likely break for lunch and then continue our discussions after the lunch hour.

I have attached a draft agenda as well as some background information that hopefully assists in defining the potential issues that may be involved. Please come prepared to discuss the various issues as well as how we can best move forward on addressing outstanding concerns.

Clyde Robinson, Kalamazoo City Attorney, will be attending Monday for Assistant City Attorney John Kneas for this meeting due to a last-minute change in John's schedule.

Please let me know if you have any questions or concerns. Michael - please forward this information on to Chuck in your office.

Thank you all and I look forward to fruitful discussions on Monday.

Sincerely,

Bruce Merchant
