Not really.

9:00: EPA, DOJ, the State and the Trust. The purpose is to brief the Trust on the deal we are contemplating and to hear its feedback.

12:00: Same parties, plus the City. It will primarily be a chance for the Trust and City to explain any concerns that have to each other.

I understand that the Trust has to be done by 1:30 c.s.t. I will try and find another conference room for the rest of us to continue our discussions if we want to.
