Subject: FW: Northmet/Polymet - Interactions with MPCA from 2005 through 2011

Can you get me a summary of the permit discussions with the state between 2005 and 2011?

> Kurt Thiede has asked for information from us regarding interactions EPA has had with MPCA on PolyMet between 2005 and 2011. He doesn't need detailed dates of meetings…he's trying to understand when we were engaged in the various processes (e.g., EIS, permitting), and what our involvement has been with the State.
