That would be great-I know Linda from ADAO is testifying so both are likely to come up. As soon as we have the witness list it will help us anticipate.

Per our conversation OCSPP will develop a draft letter to the chairman and ranking member of the committee holding the hearing providing EPA's perspective on worker protection issues. We will have this letter to you in draft by the end of the day on Monday. Thank you

Also, looping in the OPA team. Might be worth having a press statement in the hopper refuting a lot of what we know is going to come out of the hearing for release right before it begins or immediately afterwards.

So far I'm hearing it will be:
Teachers union- PCBs, lead in schools
Firefighters- PFOA
UAW-framework rules
Academics (likely David Michaels)
United Farmworkers- pesticides

I'm checking with OCR I would like to have a statement or some document that we could produce providing our point of view on the subject of the hearing.
