Rafael,

We were contacted by Ex. 6 Personal Privacy (PP) ast Friday, September 28, 2018. She wanted to know if her home was in the area of concern being currently investigated. Megan Hamilton, our Director of Vapor Intrusion and Risk Assessment, directed her to you and provided your phone number and email. She did not leave a phone number, but her email is Ex. 6 Personal Privacy (PP) if you would like to contact her. Thanks.
