Robert
I understand and think it's best that you talk to NERL mgt about the situation.

Thanks

Hi Robert –
I know ITI2 has a couple of tickets for the badging system in LV but we agreed to stop support of that on 9/30/18. Please see below and if something needs to be completed or if you need someone to walk you through it we can figure it out.

Please let me know.

Thanks

Craig,

I checked with Allen Tillford regarding the Millennium Badge System in Las Vegas. There is no issue with continuing to provide support through Sept 30, 2018. Allen was trying to work with the Facilities Manager Robert Andrews to train him on the system in anticipation of desktop staff leaving Las Vegas in the Sept 2018 timeframe.

Thank You,
