Yes, they are supposed to provide me with documents and/or a list of relevant documents available on WDNR's BRTS site for download. If I don't get anything by next week, I'll reach out to them.

Pete:

Thanks. They say in their letter/application that they are providing the required information per 40 CFR 761.77(a). How are they doing this? Separately? If so, when do we expect this additional information? Thx.
